

All in a wood there grew a tree
Oats and Beans and Barley grow
The Farmer's in his Den
Yellow Bird up in a Banana tree
Jamaica Farewell
Donkey Riding

I hear Thunder (round)
If I could have a Windmill
Mr. Fox

One Man went to Mow
Down in Demerara
Bright Eyes

If I had a Hammer
Head and Shoulders, Knees and Toes
The North Wind shall blow
Supercalifragilisticexpialidocious
